

BENDER-GESTALT TEST: , Not organic.,BECK  
TESTING:,Depression: 37,Anxiety: 41,Hopelessness:  
10,Suicide Ideation: 18,SUMMARY:, The patient was  
cooperative and appeared to follow the test instructions.  
There is no evidence of organicity on the Bender. He  
endorsed symptoms of depression and anxiety. He has  
moderately negative expectancies regarding his future and is  
expressing suicidal ideation. Great care should be taken to  
confirm the accuracy of the results as the patients seems  
over-medicated and/or drunk.
