

HISTORY OF PRESENT COMPLAINT: ,Ms. Abc initially visited our office for the purpose of consultation and examination on December 1, 2004. Ms. Abc states that on November 16, 2004, she was in a parking lot, she was walking to her car, and stepped into a pothole. The patient reports that she fell backwards. The patient landed on her back and hit her head as well. The patient reports sudden, severe left ankle pain and low back pain as well as neck pain in the back of her head. The patient was unable to get up due to severe pain. The patient was afraid that she broke her left ankle. The patient eventually got up and went to her car. The patient went home and symptoms got worse. A few days later, the patient went to the hospital on November 21, 2004. The patient had x-rays of the lumbar spine, left ankle, and left foot. The patient was seen at Healthcare System. She was next seen by Rapid Rehabilitation on December 1, 2004.,
